

Radium
Die Lichtmarke

LED Phasecut Driver.

The cheapest solution
for dimming LED Strips.

2021/02

Product features:

- Dimmable with conventional leading and trailing edge dimmers
- Very good compatibility with various dimmer models
- FlickerFree according to Standard IEEE 1789 (75W and 150W)
- Touch & DIM-interface (Dimming by wall switch without any additional accessories)
- Safe product thanks to overload protection, overtemperature protection, overvoltage protection and short-circuit protection

NEW: A perfect combination with **LED Strip WarmDIM:**
Dimming and colour temperature adjustment without another control device!

Dimmable LED driver, leading / trailing edge dimmer
